Re: 6/11/2018 - New Ambulances Sales Team Member

Emergency Equipment is proud to announce that Chip Brake has joined our ambulance sales team covering Central and Eastern Tennessee.

Chip brings an extensive background and experience to the EEP team. He started out in the industry as a Tennessee Paramedic. Over the years Chip has worked with EMS product manufacturing, distribution, and innovation. Chip and his family live in Williamson County where they enjoy the outdoors, boating, and following the University of Tennessee athletics. He is involved in supporting medical ministries.

We hope you'll welcome Chip and he continues to expand our footprint in Tennessee by focusing on building excellent customer relations and providing your organization with superior quality ambulances along with top notch service after the sale.

Emergency Equipment Professionals, Inc. proudly represents Braun Industries, Demers Ambulances, & Foundation Remounts. EEP is a full service dealer with four (4) locations to serve you 24/7/365.
