

EXPRESS PLUS

THE EXPRESS PLUS IS A VERSATILE TYPE I AMBULANCE

The Braun Express Plus ambulance is a fully customizable Type I ambulance. The 150" module features 72" of headroom and enough configuration options to meet the exact needs and wants of any private or municipal department. Available on the Ford F450, Ford F550, Chevy 4500D, or RAM 4500 chassis, the Express Plus allows customers to select the options and features that are most important to them in a new ambulance.

PLUS = ALL THE OPTIONS YOU CAN PACK INTO THIS FULLY CUSTOMIZABLE TYPE I AMBULANCE MODEL. The Express Plus ambulance is the perfect base model for customization. The 150" module features 72" of headroom and is available on multiple chassis platforms. Customers can work within

this framework to add options and change the configuration to address what's most important to them. It is the ideal choice for a truly custom ambulance.

Designed to adapt to every department through a wide variety of option packages, standard features on the Express Plus include Braun's all aluminum welded interior cabinets with rounded corners, spray foam insulation, and a high performance heat/ac system. Featuring the advanced manufacturing and production innovation Braun is known for, the Express Plus includes SolidBody™ Construction, an EZ Glide™ sliding door, Eberhard Free Floating Latches, MasterTech™ Multiplex electrical system, and a Lifetime Structural Warranty.
